o diem luci dignissimam feli cissimam? Plaudite calu plaudite terra

nam de morte sempiterna, nam de morte sempiterna plaudite caelum

plaudite terra, plaudite calu plaudite terra nam de morte sempiterna nati infans

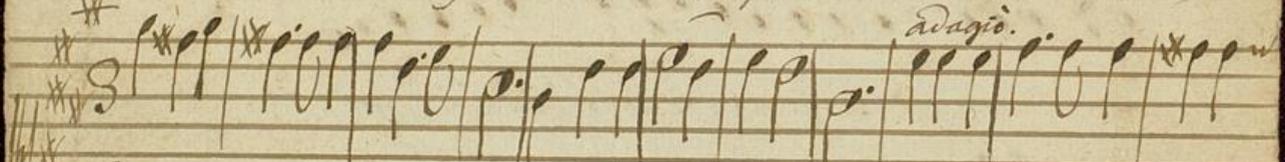

liberati. Rident angeli lae tantes choros ducunt egul tantes egul tantes choros

Ducunt quae tantes, vident angeli lo tantes, vident angeli lo =

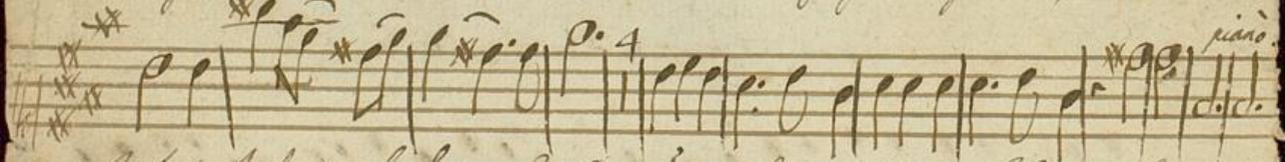

tantes, choros ducunt quae tantes, et pu el lo concinunt.

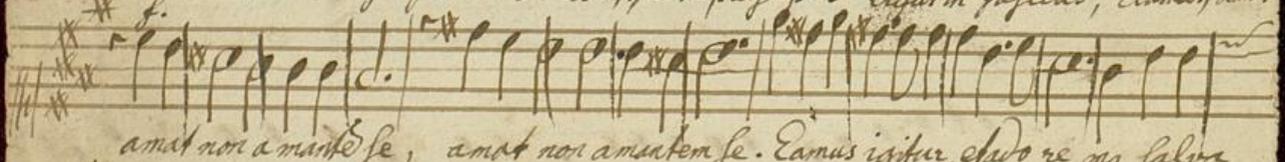

Eamus igitur, et ad remus salva toro nostrum. Jacet in stabulo, iacet

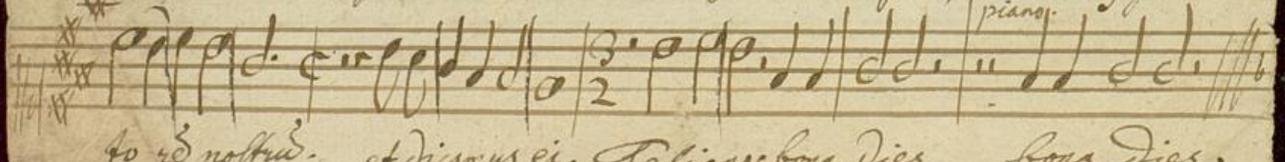

in stabulo totus amabilis totus totus af-fa si lis, totus,

totus totus af-fa-bi lis, quod in praesepio ligat in fascias, clamat, amat

toro nostrum. et dicimus ei. Felix nam bona dies, bona dies.
