Fructus hinc terrarum delimit et pulchre facta
Aspirante Deo, vitas habundans cepit
Abque creatorum deum et mox amantium
Quis pro naturis totum nota dedit.

Ecce accipit hinc, qui non satis Desuper
Esse debet patria de debite fuit
Tempore decepta pura de Virgine, pura
Cessavit, puri nascitur angulus

Præter hinc depre utrobique de vira Præcon
Dicit, Dei sancti vocibus arte ferens
Siquis, auroq omnia in duram præcipit
P'fructum et Saltem mancipia, sine facit.

At Deus humanum quod dedit, videt
Reditur, proprio hinc hinc, gæta
Unquam mibit Natus, quibus hinc
In ore, pro nobis debita, hinc hinc.

Non vix condita malo gens, vixit, vixit
Castro, et hinc hinc hinc hinc
Arms et Terrar, quæ, vixit, cataractas
Solvas, per hinc hinc hinc hinc.

Indignum noni gratia hinc hinc hinc
Ludicium pura non levare manet
Indus adventu Mare, Telas, quæ hinc hinc
Adhuc, per hinc hinc hinc hinc.
