GRAPHIÆ
NATURALIS,
CLASSIS DECIMÆ:
IN QUÆ
HOMINIS
ADMIRANDA.

Seneca.

Quisquis es iniquus aſtimator ſortis humana, cogita quanta nobis tribuerit parens noſter, quanto valentiora animalia ſub jugum miſerimus, quanto velociora aſſequamur, quam nihil ſit mortale non ſub idu noſtro poſitum. Tot virtutes accepimus, tot artes, animum denique cui nihil non eodem quo intendit momento pervium eſt, ſyderibus velociorem, quorum poſt multa ſecula futuros curſus antecedit.
