## Epigramma
## HERMANNI KIRCHNERI
### P. Cæsar. Profess.
### Marpurg.

*Quó ſoboles Aquilæ, quó te rapit impetus ille?*
*Intra naturæ viſcera túne ſubis?*
*Quæ ſtupeant alij non intellecta, revolvis:*
*Humanásque doces lumen habere manus.*
*Lumen, quo poterint eventa futura videri:*
*Non fruſtra factas arguis eſſe notas.*
*Quin & ad æthereos penetras feliciter orbes:*
*Virtutem ſtellæ cuilibet eſſe probas.*
*Iamque tibi applaudit* PATER, *alta in nube volanti,*
*Iamque videt ſumptus non periiſſe ſuos.*
*Sic age, ſic pergas, virtus Goclenia, cœlo*
*Tendere, & æternúm laude vigere tua.*
