	10	28.0.9	11.1	6.9	63	W.1.			

Handwritten text in a ledger format, organized into columns and rows. The text is extremely faint and illegible due to fading and ink bleed-through from the reverse side of the page. The layout appears to be a table with multiple columns and rows of data.

Fragment of a table from the adjacent page, showing a grid structure with some handwritten entries. The text is partially cut off.
