	10 1/2	27.10.7	10.0 0.4	70	NW. 1.			

5 fl. n. 1.

Handwritten text in a ledger or account book format, organized into columns and rows. The text is extremely faint and illegible due to fading and ink bleed-through from the reverse side of the page. The layout suggests a structured record-keeping system, possibly for financial or administrative purposes.
