Handwritten text in a ledger format, consisting of approximately 30 rows and 10 columns. The text is very faint and difficult to read, appearing as light brown or greyish marks on the aged paper. The layout suggests a structured record, possibly of financial or administrative nature.

Handwritten text in a narrow column on the right edge of the page, likely serving as a margin or index. It contains numbers and some illegible characters, possibly representing page numbers or a sequence of entries.
