Mme. gr.

I. Sch. You are always welcome
in Paris, also from Neaples. If you
don't want to go to France we have a hotel in Paris,
in the Langemarck area which has been
closed in October; bring. Paris is very
interesting full of fruitfulness. If you
have not left yet all the French are
frightened. We have many French
princes in Court but Suzanne is just in Louvre
so you can go there. I think it's worth a visit.
With kind regards, for me and the family.
Karl. When you come to Paris write to us.
