Das neue (Pfund-) Gewicht in Preußen.

(Eingeführt am 1. Juli 1858.)

Unser neues Gewicht ist folgendermaßen eingetheilt:

1 Last = 40 Centner.	1 Loth = 10 Quentchen.
1 Centner = 100 Pfund.	1 Quentchen = 10 Cent.
1 Pfund = 30 Loth.	1 Cent = 10 Korn.

Verwandlung des alten Preussischen Gewichts in neues Gewicht.
