⁷¹ ² Fortunae Reduci aras vocabant romani gentiles. K 3525,6 b
Haec ipsa verba Titi, o praesidium christi fidelium! acclamo devoto pectore, libellum porrigens, in quo de mulieris piissimae vita quaedam notari. Reddit quasi speculo ea, resonatque Johannis antecessoris Tui, qui nocturna versabat manu atque diurna exemplar de Imitatione christi, ejusdem, qui inde a prima juventute regum Consiliis adhibitus prudente valideque manu continebat Italiam, sapientissimam illam sententiam, qua anno ipso, quo cursu consummato coronam petivit justitiae, Simonus Fortifex monuit vasallos illestris olim monasterii Sancti Galli, non longe a conspectu meo remoti, ut committantur ecclesiae his, qui sciant, velint, et valeant.
